Dennis,

Have we reached any understanding on whether or not there will be an ID requirement for voting? I'm assuming that, if so, student ID's will suffice.

Dennis,

Sorry for the delay in my reply, I have been a meetings most of today. We are all set.

I suggest that we meet at 11:30 am in front of Wesley W. Posvar Hall. Please see this map: <https://www.tour.pitt.edu/tour/wesley-w-posvar-hall?viewmap>. I will be at the entrance that faces Schenley Drive and is opposite Schenley Park.

I can show you:

- Posvar Suites in Wesley W. Posvar Hall
- Space in the Cathedral of Learning main floor that we might be able partition off with pipe and drape
- A room in Benedum Hall
- I am checking on a room in O'Hara Student Center, which is across the street from Benedum

I can also point and show you spaces where I have found that space is not available or likely not accessible.

I look forward to meeting you. If needed, my cell is [REDACTED]

Hello,

Thanks for writing. These details are very helpful.

During the evening of Monday, April 15, Room 2500/2501 will be locked. It is reserved for the election over these 2 days and no events are scheduled for the evening. You are welcome to leave your supplies here overnight.

I plan to confirm our event on April 17 and 18 with John Hoehn this week. I will make sure that we can still store a few things in his office on the night of Wednesday, April 17 as we all discussed in person.

I will meet you in the morning of April 15 and April 16 at 7:30 AM to unlock the doors in Posvar. I will confirm with John the arrangements for entry into the building at 7:30 AM. There will be no issue.

Best,
Stephanie

Hi Stephanie,

Thank You for all the awesome help. And Because we have such great parking, especially on Day 3, Dennis and I feel we do not need to have your maintenance guys move our gear from Posvar Hall to the Student Center on Tuesday night. We plan on putting everything in our cars Tuesday night and then Wednesday morning our parking is right next to the O'Hara Student Center. For the night of Wednesday, April 17, 2019, we might want to store a couple of 3 foot by one foot booths and a couple empty boxes in the office of John Hoehn, the Director of the Student Services Center. I think during our visit he stated that would be the best secure room for overnight storage.

The only other night is Monday night. If Room 2500/2501 are lockable we might leave a few things there but if not it won't be a big deal for us just to carry it to the cars at night.

For each election morning we are having our people arrive by **7:30 AM** to begin our gear unloading and poll site setup in the poll rooms.

Good Morning Dennis,

I have arranged to have four parking spaces arranged on campus during the election at these locations:

Monday, April 15 -Wesley W. Posvar Hall

Tuesday, April 16 - Wesley W. Posvar Hall

Wednesday, April 17 - O'Hara Student Center Parking Lot – there will be four spaces with bags over the meters

Thursday, April 18 – Soldiers and Sailors Parking Lot

Unfortunately, a dumpster will placed in the O'Hara Student Center Parking lot on April 18, so I cannot reserve a space there. Soldiers is across the street from O'Hara, so I reserved space there.

I have confirmed that these passes will hold a space for you in Soldiers and Sailors lot.

You need to have the permits in advance of entering the lot on April 15. Shall I mail you the four passes? If so, is this your correct mailing address:

Hi Stephanie,

Who should we mail the election order to at Pitt? Would the Vice Provost for Graduate Education be the correct person? Can you send us the name and title and address for a proper person for us to mail the election order? We were kind of unsure whether to mail it to the Chancellor or to someone else. We are looking to mail out the Election Order Friday, Thank You.

Hi Stephanie,

Thank You for all the awesome help. And Because we have such great parking, especially on Day 3, Dennis and I feel we do not need to have your maintenance guys move our gear from Posvar Hall to the Student Center on Tuesday night. We plan on putting everything in our cars Tuesday night and then Wednesday morning our parking is right next to the O'Hara Student Center. For the night of Wednesday, April 17, 2019, we might want to store a couple of 3 foot by one foot booths and a couple empty boxes in the office of John Hoehn, the Director of the Student Services Center. I think during our visit he stated that would be the best secure room for overnight storage.

The only other night is Monday night. If Room 2500/2501 are lockable we might leave a few things there but if not it won't be a big deal for us just to carry it to the cars at night.

For each election morning we are having our people arrive by **7:30 AM** to begin our gear unloading and poll site setup in the poll rooms.

Subject: RE: [External] Pitt Grad Students Election

Dennis,

I am available to meet you anytime on Wednesday. I am waiting to see if there are any times when the spaces I want to show you are unavailable.

Do you have any preferred times that you can come to Pitt's campus? If so, I can try to arrange to see spaces during those particular times.

Best,
Stephanie

Dennis and Joe,
I am copying Stephanie Hoogendoorn, who works in the office of the Vice Provost for Graduate Education. Stephanie is available Wednesday to take you on a site visit to the University's proposed locations and also discuss potential locations in the Student Union, none of which are currently available for the dates and times of the election. Please feel free to coordinate directly with Stephanie and let us know if you need us.

Hello Dennis,

I am still finalizing the availability to get into one room, but I anticipate that meeting at 11:30am will work for our tour.

Once I have the details, I will suggest a meeting place for us. I will be in touch as soon as I can.

Best,
Stephanie
